**SIXTY-SIX YEARS AFTER THE BANDUNG CONFERENCE, WHAT DREAMS STAY DREAMS, WHAT CHALLENGES TO BE TAKEN-UP, WHAT PROJECTS TO BE PROPOSED TO MAKE THE DREAMS A REALITY?**

To answer those questions, the conference will be focused on the “legacy” and “beyond the legacy” of the Bandung Conference. In this spirit, the conference is also dedicated to the commemoration of the 60<sup>th</sup> anniversary of the Belgrade Non-alignment Conference and the 55<sup>th</sup> anniversary of the Havana Tricontinental Conference, which were the most outstanding follow-ups of Bandung. Indonesia is the right place for commemorating the three conferences since they bear testimony to the key role of Indonesia and President Sukarno, besides other Bandung leaders, in the history of international struggle for global peace, justice and prosperity. By chance, Indonesia is the president of G20 from December 1, 2021 to November 30, 2022, and the 17<sup>th</sup> G20 Summit will take place in Bali on November 15-16, 2022. So, it would be interesting to organise the commemorative conference at the proximity in space and time of the G20 Summit and to submit the Final Statement/Declaration of the conference to the government of Indonesia, of NAM countries and BRICS countries during the G20 Summit.

### **LEGACY: BANDUNG PRINCIPLES**

Applied to contemporary cases at different parts of the world, this legacy raises questions such as in what way are they relevant or irrelevant today?

### **BEYOND THE LEGACY: BANDUNG SPIRIT IDEALS AND CONSTELLATION**

This raises questions such as in what way Bandung Spirit has been developed into theories and practices of social and political movements in different parts of the world?

### **DREAMS-CHALLENGES-PROJECTS**

This raises questions such as how different countries or societal entities among the state members of Non-Aligned Movement have been developing so far in the perspective of a global future?

### **PARTICIPANTS**

The conference invites scholars from a wide range of scientific disciplines and practitioners from diverse professional fields as well as artists, writers, journalists and activists of social and solidarity movements, based in diverse geographical areas. Approximately 70 international speakers/presenters are expected to attend the conference physically.
