

# Got Plastic? Solve it.

Learn how to take personal responsibility for your plastic and transform it into a reusable building block that can make all sorts of great things.

## Workshop: Ecobricks, Plastic & the Environment

Université Le Havre Normandie

25, rue Philippe Lebon 76600 Le Havre, France

Friday, February 14, 2020 at 09:00-12:00

Free registration: <https://bit.ly/2Qm14jd>

Join an introduction to ecobricks led by Global Ecobrick Alliance Indonesian principals Russell Maier & Ani Himawati. Bring along a month of your clean and dry plastic and an empty PET bottle (600ml or under). Learn the principles and best practices of ecobricking, and make with us some ecobrick modules.

Workshop co-organised by

Global Ecobrick Alliance, GRIC (Group of Research on Identities and Cultures), Université Le Havre Normandie, Master's Degree in Management and International Trade - Exchanges with Asia, Université Le Havre Normandie Bachelor's Degree in Applied Languages - English and Asian Languages, Université Le Havre Normandie
